PROFILE

I am currently a student studying part-time (remotely) at Code Institute, Dublin. I envisage completing this course in December 2019, and I am eager to start my Software Development journey in this industry. I would consider any & all opportunities available.

EDUCATION / QUALIFICATIONS

- Full Stack Software Development Diploma, Code Institute, Dublin
March 2019 – present

Currently studying part-time & remotely. This allows me to continue to work.
Topics covered and learned are:

- HTML5,
 - CSS3,
 - JavaScript,
 - Python,
 - Django,
 - Flask,
 - GitHub,
 - Agile Development.
-
- Civil & Transportation Engineering, Napier University, Edinburgh, Scotland
2nd Class Honours (2009)
